Winthrop Professor John Dell  
Dean  
Faculty of Engineering, Computing and Mathematics  
University of Western Australia  
35 Stirling Highway  
Crawley, WA, 6009

Dear Professor Dell,

I am pleased to submit this thesis, entitled "Number Representations and Precision in Vector Graphics", as part of the requirement for the Engineering component of the degree of Bachelor of Science and Engineering.

Yours Sincerely,

A handwritten signature in black ink, appearing to read "Sam Moore".
